Dear Mortgage Customer:

We have recently reviewed and/or updated additional flood insurance information for the above referenced loan.

The minimum amount of coverage afforded to your structure must be equal to the lesser of:

1. 100% of the replacement cost of the structure*
2. The total amount of the unpaid principal balance \$64,705
3. The maximum limit of coverage available for the particular type of property under the Flood Disaster Protection Act

*If the Replacement Cost of your building is unknown, we have substituted the last known amount of your Homeowner's/Fire coverage in this situation. If the Replacement Cost Value of your structure is unknown, we highly recommend that you consult with your local insurance agent to determine that value.

Please recognize that insuring to the minimum requirement may not fully insure you against losses sustained to your property. Please note that the deficiency amount referenced is based on the information currently available to us. Based on the requirements referenced above, we currently show your loan to have a deficiency for flood coverage in the amount of \$123,347. This deficiency amount has been rounded down to the nearest \$100.

We further recommend that you contact your local insurance agent to discuss increasing your flood coverage limits. Once this increase has been made effective, please have verification of an active flood insurance policy evidencing adequate coverage faxed to 1-843-413-2008 or mailed to the address below. Our mortgagee clause should read as follows:

RBS CITIZENS, N.A.
ISAOA, ATIMA
P O BOX 202060
FLORENCE, SC 29502-2060

In order to avoid the purchase of a supplemental policy on your behalf, verification of an active policy in an amount acceptable to CCO Mortgage must be submitted within 45 days of the date on our original notification.

Mortgages are offered and originated by RBS Citizens, N.A. CCO Mortgage is a division of RBS Citizens, N.A.

All loans are subject to approval. Equal Housing Lender

210501

Please note that applications, quotes, change notices, and binders for coverage are not considered verification of an active policy and will not be used to update our records. The maximum deductible amount allowed is \$5,000.

If we do not receive evidence of adequate coverage within 45 days from the date on the original notification letter, CCO Mortgage will secure additional flood insurance coverage in the amount of the deficiency referenced on the previous page at your expense. If you have an escrow account, the premium cost for this additional coverage will be added to your escrow account. If you do not have an escrow account, one will be created for you. Your monthly payments will increase due to the cost of this coverage.

In most instances, the additional flood insurance coverage you purchase from an agent or insurance company of your choice will be less costly than the coverage purchased by CCO Mortgage. THE COVERAGE THAT CCO MORTGAGE SECURES WILL ONLY COVER YOUR BUILDING OR HOME, BUT NOT YOUR HOUSEHOLD CONTENTS AND MAY BE CONSIDERABLY MORE EXPENSIVE. Coverage under this policy will only apply if a loss to your building exceeds the amount of coverage provided by your voluntary flood insurance policy.

The lender placed policy that we secure will remain in force at the initial coverage amount until evidence of acceptable coverage is received. The only acceptable level of coverage is a policy providing coverage in an amount at least equal to the minimum amount required as specified on the previous page. Once the lender placed coverage is bound, there will be no adjustments in coverage amount or premium.

The policy purchased on your behalf may be cancelled at any time by providing proof of acceptable coverage. You will be charged for only the days this policy was in effect and any unearned premium will be refunded to your escrow account.

We recommend that you increase the amount of coverage afforded under your existing flood insurance policy in order to satisfy the deficiency amount. This information may be provided to us at mycoverageinfo.com. Please use pin CCO293.

If you have any questions, please contact us at 1-866-826-4904. Thank you for taking the time to help us resolve this matter.
